

TechCon 2022

Long Beach

65th Annual SVC Technical Conference

Long Beach Convention Center, Long Beach, California, USA

Join us at the 2022 SVC TechCon (Long Beach, CA, USA)

FREE One Day Pass

May 3 or May 4, 2022

Dear Colleague,

The SVC is offering a FREE One Day Pass for people who have not experienced the SVC TechCon to “sample” the extensive Technical Program along with the Exhibition (which has always been and will always be “free of charge”). In 2022, the SVC TechCon has been organized so that on the days of the Exhibition there will be little, if any, overlap between the technical presentations and the Exhibition. The SVC TechCon is the largest exposition dedicated to vacuum coating technologies and materials. This is a chance to see what the SVC is all about!

- ◆ Visit the industry’s most extensive vendor exhibition. Meet over 150 Exhibitors from around the world.
- ◆ Hear the latest R&D results and commercial applications from industry professionals, engineers, academics and scientists from around the world.
- ◆ Attend one of the many technical presentations by our exhibitors as they discuss their latest products, services, and innovations.
- ◆ The TechCon is a global forum where researchers, industry practitioners, decision makers and new comers can connect, exchange ideas and get questions answered. In 2019 the TechCon drew visitors from over 35 countries!

For more information, contact the SVC at 505-897-7743
or [CLICK HERE](#) to submit and abstract

TechCon 2022

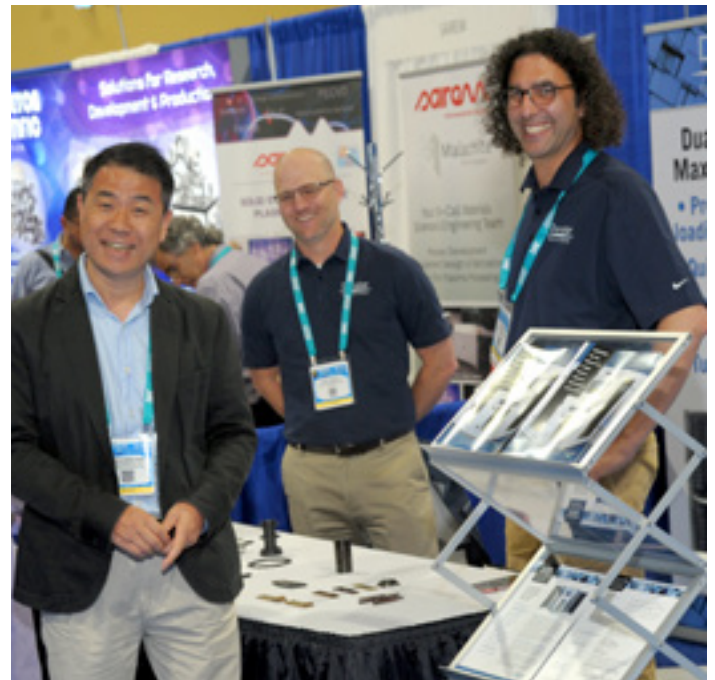

Long Beach

Register for a FREE One Day Pass

- ◆ Choose one of the Exhibition Days (May 3 or May 4, 2022).
- ◆ Attend all Technical Sessions on that day, in addition to the Exhibition.
- ◆ Attend a Keynote Presentation.
- ◆ Attend a Technology Forum Breakfast (May 4th only) - join any of our morning discussion groups focused on a topic that's important to you.
- ◆ Win an iPad®! All registered Exhibition attendees will be entered into a raffle. Drawing will be held on May 4th at 3:00 PM. *(Apologies, but employees of Exhibiting companies and/or TechCon registrants are not eligible for the raffle!)*

Additionally:

- ➔ The Preliminary Program (including the schedule of the presentations and technical sessions) will be posted on or about April 1, 2022.
- ➔ The Education Program at the 2022 TechCon offers more than 40 tutorials on thin film technology and surface engineering, taught by industry/academic subject matter experts in a highly interactive environment. Tutorial registration will be open December 15, 2021. TechCon registration is not required to attend any of the SVC tutorials.

We look forward to seeing you at TechCon 2022!
