Fast Facts

The Largest Exhibit Dedicated to Vacuum Coating Technologies

Reserve Early for Best Booth Selection

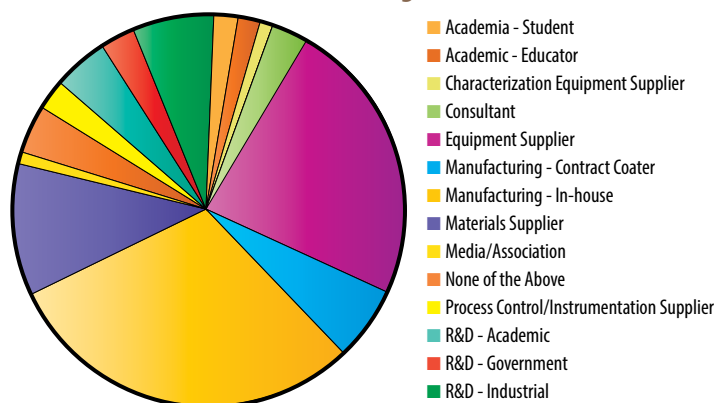

Reserving a booth early is essential for exhibitors who want to be prominently placed on the exhibit floor and engage face-to-face with industry decision makers. Reserve a booth online by the first deadline of July 13 or the second deadline of September 12, 2025 to utilize your Exhibitor Priority Points and ensure the best possible booth placement. After September 12, all booths will be assigned and reserved on a space-available basis. Booth fees for all 10' x 10' booths at the 2026 TechCon Exhibit are \$3,445 USD and increase to \$3,695 on September 13, 2025. **ACT NOW!** Visit the "Exhibit/2026 Exhibitors - Get Started" tab on the SVC's TechCon website (<https://svctechcon.com/>) for additional details.

Reach a Global Audience

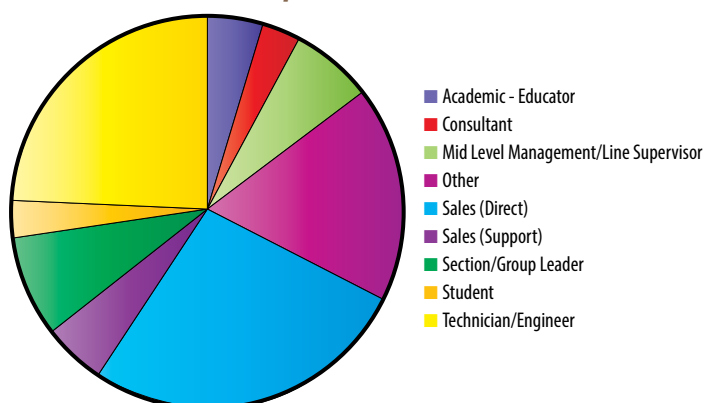

The SVC TechCon is an international conference, attracting industry professionals, engineers, academics and scientists from around the world. Nearly 25% of all TechCon attendees traveled from outside the United States.

Who Attends the SVC TechCon?

What Sector Best Describes Your Organization?

What is Your Job Description?

Over a third of all visitors to the TechCon were "first timers" which highlights the dynamic nature of the technology and markets that the SVC reaches; representing a wonderful opportunity for our Exhibitors to make new contacts and meet new prospective customers. The SVC is truly international in scope as the 2025 TechCon drew in visitors from 30+ countries.

Booth Display

To all of our Exhibitors:

The booths at the SVC TechCon are not hard structures. A booth at the TechCon consists of a 10 foot (3.048 m) x 10 foot (3.048 m) "area" with a 8 foot (2.44 m) fabric drape in the rear and 3 foot (0.91 m) tall fabric side dividers. Roll up posters CANNOT be affixed to the rear curtain. Many exhibitors transport custom pop-up booths or their own hard structure to the event.

As a service to our exhibitors, particularly those who may not be in possession of a dedicated booth that can be shipped to the TechCon, the SVC will provide four (4) retractable banners that measure 78 inches (1.98 m) tall by 33 inches (0.84 m) wide printed with your graphics (high resolution graphics images are required) to your booth at the TechCon. These pop-up banners will make a very attractive impression to the exhibition visitors. The cost for this service is \$1,750 USD and the banners are yours to keep after the show concludes. For more information please contact Jacque Matanis (jacque.matanis@svc.org).

Brand Recognition

High Profile Advertising That Lasts All Year Long

TechCon Final Program & Exhibit Guide

Used as a reference guide throughout the year, the TechCon Final Program & Exhibit Guide showcases the products and services of exhibiting companies participating in the SVC TechCon Exhibit. Drive attendees to your booth with an ad in the TechCon Final Program & Exhibit Guide, distributed in print to each TechCon attendee and visitor. The digital version is available globally to the entire SVC community and beyond. Complimentary ads are included in TechCon Level Sponsorships!

SVC Bulletin

The *SVC Bulletin* informs and educates with its balanced mix of news and technology. The Bulletin is published three times each year (Spring, Summer, Fall/Winter) and is read by thousands of professionals working in the vacuum coating community and related sciences and technologies. An affordable ad in the *SVC Bulletin* is an effective tool to promote your company before, during and after the TechCon Exhibit.

TechCon Web Site Banner Ads

The TechCon Web Site is the center of all information for the TechCon and is the one-stop shop for all TechCon attendees, visitors, and exhibitors.

Registration • Exhibit Floor Plan • Exhibitor List • Technical Program Details • Presentation Search • Education Program • Networking • Hotel/Travel • Sponsors • Much More!

Everyone visiting the 2026 TechCon Web Site from now through July 2026 will see your company's message. Place your ad in any of three rotating banner positions seen on the home page and every content page of the site.

SVC Web Site Banner Ads

The SVC Web Site is a global resource for learning, applying and advancing vacuum coating, surface engineering and related technologies. Its many resource tools and availability of technical and educational content make it attractive to a wide audience. Two rotating banner positions and the rotating corporate sponsor logo are both located on the home page of the SVC Web Site and include a URL link.

SVConnections

This is a monthly Email newsletter designed to update and inform the vacuum coating community with science and technology news. Companies can place an ad to reach potential customers and promote participation in the TechCon Exhibit.

SVC Tech Talk

This is a quarterly Email newsletter featuring news and information from our Corporate Sponsors. Incorporate SVC print and digital advertising into your marketing plan and receive special discounts when purchasing multiple ads in one order. Contact svcinfo@svc.org for details.

Exhibitors! For every dollar you spend in advertising, lodging, booth fees, and corporate sponsorships, your company earns additional Exhibit Priority Points. Purchase ads by September 1, 2025 to apply points to your booth placement in 2026. See page 9 for a full description of the Exhibit Point System. Please contact Jacque Matanis (Jacque.Matanis@svc.org) for more information on the program.

Download the latest SVC Media Kit for details.

IMPORTANT Register Now to Get the Best Booth Position(s) Before the First Deadline July 18, 2025

Exhibitors signing up between July 18, 2025 and September 12, 2025 will be in the second wave of booth assignments.

Points are accrued for the 2026 Exhibit based upon the Table on the left. Assignments will be made based upon the number of points a company has at the time of the assignment. Visit the SVC TechCon Portal to see the Exhibit Point list.

Notes:

- If Company A has 'x' points and is purchased by Company B which has 'y' points, then Company B will have either 'x' or 'y' points, whichever is the greater. The SVC Administrative Office must be notified in writing of the purchase, prior to the date of the first assignment of booths.
- Exhibiting companies who have the majority of their personnel registered in the SVC contracted hotels, but have not done so before March 1, 2026 will receive ONE additional point.

Assignment of Booths

1. Initial booth assignments will be made after July 18, 2025, from all contracts received with full payment by that time. The next group of booth reservations received between July 18, 2025 and September 12, 2025 will be made in the Second Wave of Booth Assignments. Each company will be asked to provide four (4) choices for their booth location and statements as to which companies they do not wish to be near. For companies that have the same number of points, booth location priority is based upon the date that full payment has been received by SVC. With the advance registration process, a random drawing for priority will be made from companies that have the same number of points and that register for a booth during the TechCon. After September 12, 2025, booths will be assigned strictly according to the date that the paid registration is received (payment by credit card is acceptable). In the case that all booth choices have already been assigned, it will not be practical for the company to be recontacted. The next best booth space will be allocated.
2. Companies that wish to be located next to each other must send in their registrations together and state their request on the registration form. Exhibit Management will make every effort to accommodate the request.
3. Companies purchasing four (4) booths in an island by July 18, 2025 get first priority in booth placement. Four-booth islands purchased by September 12, 2025 will get first priority in booth placement within the second wave of booth assignments from the confirmed floor plan that exists at that time. After September 12, 2025, all booths, including islands, are assigned on a first-come, space-available basis.
4. Exhibit space shall be assigned by the SVC Exhibit Committee in the best interests of the Exhibit as a whole. Exhibitors must agree to accept relocation if it becomes necessary or advisable in the sole judgment of Exhibit Management.
5. Exhibit Management reserves the right to add or remove booths on the published floor plan if it is in the best interests of the Exhibit.
6. After final assignment, space location may not be changed.

SVC Cancellation Policy

Exhibitors canceling their booth space before December 31, 2025 forfeit 10% of the total rental fee. There is no refund for cancellations after December 31, 2025. (If an exhibiting company sends a request in writing to SVC to cancel their booth registration after December 31, 2025, and if SVC is able to resell the booth, then the exhibiting company will receive a refund of 50% of its booth fee.)

NOTE: Under no circumstances are exhibiting companies allowed to sublet all, or part of, their contracted booth space. This policy will be strictly enforced.
